

## CAPACITY BUILDING VISIT TO AUSTRALIA BY PAKISTAN PROJECT PARTNERS

## 13-17 OCTOBER 2014

As provided for in the Project Agreement, a capacity building visit to Australia was organised by VISES for the following Pakistani government officials.

## **Pakistani Visitors**

- Dr Aamer Irshad, Chief, Food and Agriculture, Ministry of Planning, Development & Reform
- 2. Mr Abdul Qadir Tareen, Department of Agriculture Sindh
- 3. Mr Ahmed Ali Zafar, Additional Secretary, Department of Agriculture, Punjab
- 4. Khalid Mahmud Chaudhry, Deputy Secretary, Department of Livestock and Dairy Development, Punjab
- 5. Dr Nazeer Hussain Kalhoro, Director, Livestock and Fisheries Department, Sindh, Karachi

Dr Iftikhar Ahmad, Chairman, Pakistan Agricultural Research Council (PARC) was also scheduled to be part of this visit, but had to opt out at the last minute due to certain other commitments in Pakistan.

## **Activities**

Visitors arrived in Melbourne on Sunday 12 October evening and departed the following Saturday 18 October from Sydney. They attended the following eight capacity building sessions in Melbourne, Canberra and Sydney, which were designed to cover topics in policy making in dairy and horticulture, as well as policy coordination in a federal system of government.

	Markets & Credit		
12:30	Lunch		
7:00pm	Farewell dinner		

The visit helped to develop a common understanding of the aims and objectives of the project, particularly the importance of right policies for improving livelihoods of smallholders in dairy, mango and citrus. The visitors actively participated in the discussions and by all accounts the participants found the visit to be highly useful and relevant to the focus of this project. Together the participants and the lead project researchers made good progress in defining the key policy issues to be pursued, through more detailed analysis and policy development.

Peter J Sheehan (Prof.) Project Leader 26 November 2014
